

AVA SMPL General Product Information

AVA SMPL is an HPC (High Performance Core) engineered luxury vinyl plank that installs easily with a secure interlocking system. The core is rigid and waterproof. SMPL has a pre-attached cork layer on the back of the plank which enhances its acoustical performance.

SMPL has an AMP Coating which is anti-microbial, offers increased scratch and scuff resistance, has excellent stain and fade resistance and is easy to maintain with no need to wax.

Wear layer: 20 mil (0.50 mm)

Plank size: 6" x 48" (nominal)

Overall thickness: 6.5 mm (nominal)

Warranty: 10 year Commercial and Lifetime Residential

6.0 mm (nominal) x 0.30 mm (12 mil) nonstandard option is also available; minimums and lead times will apply

AVA SMPL is offered in 12 standard colors/patterns which are stocked in the AVA USA warehouse in Lancaster, PA. In addition to the standard colors, the AVA SMPL HPC construction is also available with any of the AVA DSGN, SNSE, STYL or SPRK colors/patterns for a minimum order of 4000 sf per color/patterns; lead times will apply.

Manufactured by Novalis Innovative Flooring, a worldwide leader in luxury vinyl flooring since 1984, the AVA SMPL, DSGN, SNSE, STYL and SPRK collections are made to the highest industry standards with health and environmental protection a high priority.

The AVA collections are made with 100% virgin vinyl and are 100% phthalate free. In July of 2014 Novalis pioneered the development and use of bio-based plasticizers derived from soya bean oil as a phthalate alternative.

AVA SMPL is REACH and CE compliant, and FloorScore® certified. AVA transparency portfolio includes Health Product Declaration (HPD), Environmental Product Declaration (EPD), and Declare Label.
