AVA® RESPONSIBLY PRODUCED

AVA® is produced in a zero-landfill manufacturing facility, where all waste water and waste production are 100% recycled. With our low-carbon production, we have decreased 78% of steam consumption and use 100% natural gas. Over 85% of our raw materials are sourced within 500 miles of our plant. All Novalis flooring is 100% recyclable and is made with 100% virgin vinyl that is 100% phthalate free. All our products are REACH and CE compliant, FloorScore® certified and are reported with transparency by means of Health Product Declaration (HPD), Environmental Product Declaration (EPD) and Declare® labeling.
