

AVA[®] RSRV[™]

The robust style, high density core (HDC) clic construction and IXPE acoustical backing makes RSRV a perfect selection for busy Hospitality and Retail locations where style and consumer comfort are key.

With three unique wood patterns sharing six common base colors, RSRV provides a variety of registered embossed plank styles to mix and match, along with four concrete patterned tiles. Choose from wood grain collections that include the fine lines and bold size of Kyoto, the rugged aged look of Komma and the pure grains of Washed.
