Bringing the best and most popular designs back for another run, AVA[®] FAVE[™] takes your 10 favorite AVA[®] designs and brings a MADE IN THE USA impact. FAVE[™]'s High Density Core (HDC) provide a true, waterproof rigid-core performance in large 5.75" x 47.75" clic planks with attached acoustical backing that provides superior sound control performance.

AVA's proprietary AMP Advantage coating makes FAVE[™] the perfect solution for your heavy-traffic areas that need durability and ease of maintenance. FAVE[™] is the ideal flooring for single family homes, multi-family units, hospitality rooms and amenity spaces, as well as many other applications where design and durability are the focus.
